

3 REASONS WHY A FULL-SERVICE CRANE COMPANY IS BETTER THAN AN INSPECTION ONLY COMPANY

Everyone knows when you have an overhead crane, it must be inspected and certified on an annual basis. When choosing a vendor to provide this service, there are several considerations to take into account.

	 FULL SERVICE	 INSPECTION ONLY
REASON 1  CONSISTENCY FROM INSPECTIONS TO REPAIRS TO MAINTENANCE	<ul style="list-style-type: none"> Resources are already in place for consistency One company and the same people working within a proven process Guarantees quality and reliability 	<ul style="list-style-type: none"> Will likely have to outsource any necessary repairs Different technicians supplying various services without historical records Details can slip through the cracks, or the timeline for repairs can take longer
REASON 2  EXPANDING YOUR TEAM	<ul style="list-style-type: none"> Our team becomes your team Service by highly trained staff with years of hands-on experience 	<ul style="list-style-type: none"> Inspector is not part of your team Service they perform is required, but you typically don't get any value add
REASON 3  THERE WHEN YOU NEED THEM	<ul style="list-style-type: none"> Handles emergencies and keeps your business moving no matter the time of day 	<ul style="list-style-type: none"> Can't help you with malfunctions and broken equipment
