Frequently Asked Questions About Fire Services — and Answers from IIA

IIA is proud to serve those who serve others. As the go-to experts for fire truck inspections, we can test in one day what it takes others several days to complete. (And that means less downtime for your emergency vehicles.) Here, IIA provides answers to frequently asked questions about our fire services — from scheduling to standards.

Learn more about IIA's [Fire Department Services](#) and why one fire chief calls IIA "exceptional."

Is Your Ground Support Equipment Ready for Lift-Off?

For decades, we have provided on-site inspections and certifications to all the major players in the aerospace arena. An IIA inspection helps to ensure that ground support equipment (GSE) meets applicable standards and is safe to use. [Read about](#) our inspection services for airlines and the types of GSE we inspect — from deicers to lavatory truck lifts.

Our Lift Services Team is Growing!

We are excited to welcome Aerial & Crane Experts (ACE) of Sonora, California, to the IIA family. With ACE on board, we will leverage our combined crane and lift expertise, inspection services, and geographic footprint to better serve customers [Read more.](#)

3 Reasons to Hire a Full-Service Crane Company

Overhead cranes must be inspected on an annual basis, but why hire a full-service crane company versus an inspection-only company? IIA breaks down three reasons why in this brief video.

What our Customers are Saying

“I wanted to personally reach out and acknowledge the hard work and focused support over this past week (and weekend) from the team at Industrial-IA. Specifically I would like to thank Alireza and Kiana for being true business partners by providing us with safe, flexible solutions that ensured we were able to keep our project moving forward. As a 24/7 operation, every hour counts, so their responsiveness and discretionary effort definitely help us ‘keep the tons moving.’ Thank you very much!”

- Bryan Tiessen, Baffinland Iron Mines Corp.

1 Million Safe Work Hours & Counting!

IIA is on a mission to make the world safer. We are proud of our team for working more than 1 million labor hours without a recordable incident. [Read why](#) you should consider TRIR when evaluating inspection companies.
