

THE LATEST FROM IIA'S LIFT SERVICES TEAM

OSHA Accredited Maritime Inspections

Did you know? Our Lift Services team in California is accredited by OSHA's Office of Maritime Enforcement to inspect and certify maritime lift equipment — from floating cranes to stevedoring gear. Learn more about IIA's new [Maritime Lift Services](#).

Palmerdale Fire Chief Values Hose Testing

After performing hose testing in-house for several years due to a budget crunch, the Palmdale Fire Department is glad to have IIA back on board.

[Read why Deputy Chief Richard Archer says expert testing can prevent minor issues from becoming major.](#)

Cameron Curbelo: Taking Care of Business & People

From family man to manager to metalhead, the common thread in Cameron Curbelo's life is caring about people.

[Get to know Cameron.](#)

Testing Done Right – On Site!

For more than 50 years, IIA has been a leading provider of live line tool and rubber goods testing to utilities, municipalities and electrical contractors. The best part? We can bring our expertise (and 24/7) service to you!

[Learn more about our mobile labs.](#)

What our Customers are Saying

“We are a small department and the task of testing hose would be overwhelming if not for your services. Thank you!” – Chief Emil Braley, Limington Fire/EMS

Let's Connect

We want to hear from you! Let us know about your latest inspection challenges and how we can help. Call us at **866-812-2205** or complete our [online form](#) and we'll get back to you within 24 hours.

Be sure to follow us on [LinkedIn](#) to learn about the latest tools and techniques we're using to solve our clients' problems and make the world safer.
